5. Limited Warranty. Distributor warrants the Products to be free from defects in workmanship and material under normal and proper use, service, and care for a period of one (1) year from the date of shipment of the Products to Customer. **THIS IS THE SOLE AND EXCLUSIVE WARRANTY GIVEN BY DISTRIBUTOR WITH RESPECT TO THE PRODUCTS AND IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, OF ANY KIND WHETHER ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE.** This warranty does not extend to any loss or damage to the Products due to misuse, improper maintenance, accident, abuse, neglect, normal wear and tear, unauthorized modification or alteration, use beyond rated capacity, and/or improper installation of the Products.

THE SOLE AND EXCLUSIVE REMEDY OF CUSTOMER FOR DEFECTIVE PRODUCTS UNDER THIS LIMITED WARRANTY SHALL BE THE REPAIR OR REPLACEMENT OF THE DEFECTIVE PRODUCTS. IN NO EVENT, REGARDLESS OF THE FORM OF THE CLAIM OR CAUSE OF ACTION (WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, TORT, OR UNDER ANY OTHER LEGAL THEORY), SHALL DISTRIBUTOR'S LIABILITY TO CUSTOMER (OR ANY OTHER PERSON OR ENTITY) EXCEED AN AMOUNT EQUAL TO THE PURCHASE PRICE OF THE SPECIFIC PRODUCTS PURCHASED BY CUSTOMER FROM DISTRIBUTOR GIVING RISE TO THE WARRANTY CLAIM. SPECIFICALLY, BUT NOT BY WAY OF LIMITING THE FOREGOING, CUSTOMER AGREES THAT IN NO EVENT SHALL

DISTRIBUTOR BE LIABLE OR OBLIGATED TO CUSTOMER (OR ANY OTHER PERSON OR ENTITY) FOR ANY OF THE FOLLOWING: (A) MONETARY DAMAGES OF ANY KIND; (B) DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, CONSEQUENTIAL, COMPENSATORY, OR PUNITIVE DAMAGES; (C) DAMAGE, DESTRUCTION, OR LOSS OF USE OF OTHER PROPERTY OR EQUIPMENT; (D) INJURY OR DEATH TO ANY PERSON; (E) LOSS OF BUSINESS, CAPITAL, REVENUE, INCOME, OR PROFIT; (F) ATTORNEY'S FEES AND COSTS; AND/OR (G) ANY OTHER LOSSES, DAMAGES, LIABILITIES, COSTS, AND/OR EXPENSES OF ANY KIND.

For any Product defect occurring within the one (1) year warranty period, Customer must notify Distributor in writing of the Product defect within thirty (30) days of Customer's discovery of the defect. As described above, Distributor shall, at its option, repair or replace (F.O.B. Distributor's shipping point in Dallas County, Texas) that portion of the Product found by Distributor to be defective. Failure by Customer to give such written notice within such thirty (30) day period shall be deemed an absolute and unconditional waiver of Customer's claim for such defect. Products repaired or replaced during the warranty period shall be covered by the above-described limited warranty for the remainder of the original one (1) year warranty period or ninety (90) days from the date of repair or replacement, whichever is longer. Customer assumes all responsibility for any loss, damage, and/or injury to any person or property arising out of, in connection with, or resulting from the use of Products, whether alone or in combination with other products and/or equipment.

Customer shall keep defective products for a period of three (3) months to allow Distributor the opportunity to inspect same.

This limited warranty extends only to the elfa® products sold by Distributor; Distributor makes no warranty of any kind with respect to any other products purchased by Customer from Distributor whether or not such products are shown on Distributor's Price List or otherwise in materials prepared and/or circulated by Distributor.

6. Distribution Agreement. Customer understands that the rights of Distributor to market and sell the Products arise solely from that certain Distribution Agreement (the "Distribution Agreement") dated January 1, 2003, by and among Elfa International AB ("Elfa"), The Container Store ("TCS"), and Distributor. Should the Distribution Agreement terminate for any reason, any and all duties and obligations of Distributor to Customer, including any obligation to sell the Products to Customer, shall automatically terminate, and Distributor shall have no liabilities, duties, or obligations arising therefrom or hereunder.

7. Excuse of Performance. Distributor shall not be in default or liable for any delay in delivery, or other failure to provide the Products to Customer, resulting from any of the following: (a) acts of God, acts of Customer, war, riot, fire, flood, other severe weather, sabotage, epidemics, or accidents; (b) strikes, labor disputes, or other labor disturbances; (c) governmental laws, regulations, orders, requests, restrictions, or other actions; (d) unavailability of or delays in transportation; (e) defaults or delays by any supplier including, but not limited to, Elfa and/or TCS; and/or (f) unforeseen circumstances or any other events or causes beyond Distributor's control. Deliveries may be suspended for an appropriate period of time, or altogether, as a result of the foregoing.

8. Enforceability. If any provision of these Terms and Conditions is found to be illegal, invalid, unenforceable, or void by a court of competent jurisdiction, then such court shall reform each such illegal, invalid, unenforceable, or void provision to the extent necessary to make each such provision legal, valid, and enforceable to the greatest extent possible consistent with the intentions of Distributor as expressed herein. All other provisions of these Terms and Conditions not so affected shall be enforced to the fullest extent permitted by applicable law.

9. Applicable Law. THESE TERMS AND CONDITIONS SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS. CUSTOMER AND DISTRIBUTOR AGREE THAT THE PROPER VENUE FOR ANY ACTION OR PROCEEDING ARISING IN CONNECTION WITH THESE TERMS AND CONDITIONS, OR OTHERWISE ARISING IN CONNECTION WITH THE SALE OF THE PRODUCTS BY DISTRIBUTOR TO CUSTOMER, SHALL BE ONLY IN DALLAS COUNTY, TEXAS, AND CUSTOMER SUBMITS TO SUCH JURISDICTION.

10. Amendment/Controlling Agreement. These Terms and Conditions may be changed or amended by Distributor at any time, or from time to time, with or without notice to Customer. Distributor and Customer may enter into, or have entered into, a separate Dealer Agreement or other written agreement (hereinafter the "Controlling Agreement"). If any provision in these Terms and Conditions conflicts with any provision in the Controlling Agreement, the provision in the Controlling Agreement shall control and govern for all purposes. These Terms and Conditions (and the Controlling Agreement, if any) represent the final agreement between Distributor and Customer and may not be contradicted by evidence of any prior, contemporaneous, or subsequent oral agreement of the parties.

11. Binding Effect. These Terms and Conditions shall bind and benefit Distributor and Customer and their respective heirs, executors, administrators, successors, and assigns. Neither Distributor nor Customer shall have the right to assign all, or any part, of its rights, duties, obligations, and/or interests in these Terms and Conditions to any party, unless the prior written consent of the non-assigning party is first obtained.

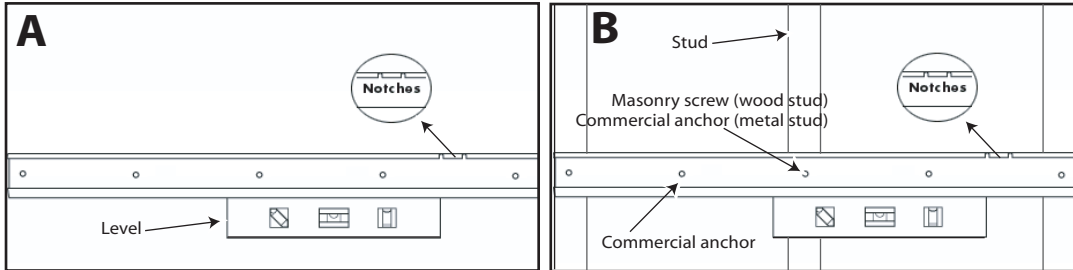

12. General Provisions. No waiver by Distributor with respect to any default by Customer or of any right or remedy available to Distributor, and no course of dealing of Distributor, shall be deemed to constitute a continuing waiver by Distributor of any other default by Customer or of any other right or remedy available to Distributor, unless such waiver be stated in writing by Distributor. All typographical or clerical errors made by Distributor herein or in any other materials are subject to correction by Distributor.

elfa® INSTALLATION GUIDELINES FOR VENTILATED SHELVING FOR PROFESSIONAL INSTALLERS

TOOLS REQUIRED FOR INSTALLATION OF elfa® SHELVING:

- Power drill with wood (1/8") and sheet rock (3/8") bits
- Level
- Hammer or Rubber Mallet
- Ladder
- Jig Saw or Sawz-all with bi-metal blades to cut track and shelves to length
- Tape Measure
- Refer to the Assembly and Install Guide for specific instructions

INSTALLATION OF THE TOP-TRACK

Example: Dense book storage, saline solution, multiple car batteries

TOP-TRACKS have a top and a bottom.

The **TOP** has the notches - elfa® Hanging Standards insert through the notches then slide.

- Place **TOP-TRACK** at desired height (refer to your drawing). Place level at the bottom of the track to ensure it is level. **(Figure A)**
- **elfa Easy Hang** track is designed with anchoring holes spaced every 8 inches to mount on open sheet rock; or align with studs for heavier storage applications. We recommend stud mounted support or blocking for shelf loads exceeding 75 lbs. per linear foot or where total loads on a 24" wide shelving section exceeds 500 lbs. Anchors to use - **COMMERCIAL** anchors (red - Article #471698). For very heavy storage applications, you should use wood screws (Article #470698) to wood studs and Commercial anchors (Article #471698) with metal studs. **(Figure B)**
- While leveling your Top Track, mark all the holes with a pencil. Holes are set 8" apart. Set the Top Track aside, then drill all marked holes with a 1/8" or 3/8" drill bit (depending on wall composition).
- Place the Top Track on the wall and insert and tighten all the screws using a power drill with appropriate bit. **IMPORTANT!!! Use power drill at low speed to firmly seat plastic molly and to avoid stripping the screw heads. The anchor must seat firmly to the back of the sheet rock.**

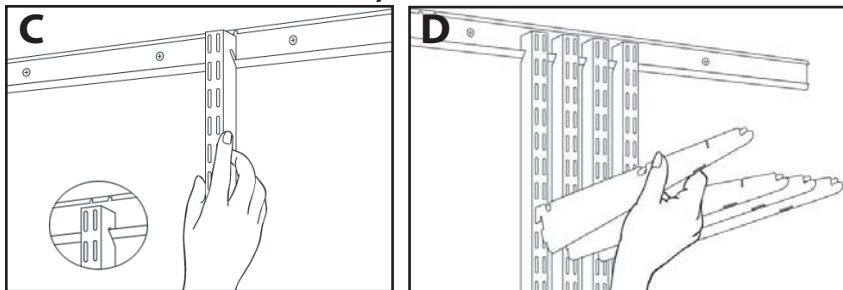

Commercial anchors

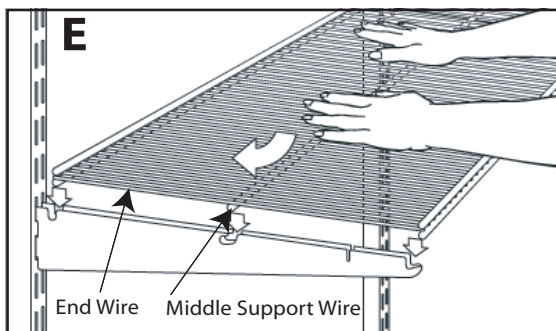

Masonry/wood screws

HANGING STANDARDS, BRACKETS and SHELVES

HANGING STANDARDS AND BRACKETS

- Insert Hanging Standards in the TOP TRACK notches. **(Figure C)** Group Hanging Standards together and insert Brackets at appropriate height based on your drawing. **(Figure D)** Space out hanging standards to approximate size of Shelf to be inserted.

INSTALLING VENTILATED SHELF

- **Ventilated Shelves have a top and a bottom - the middle support wire is connected at the bottom of the shelf**
- Install the Ventilated Shelves from shortest to longest, regardless of their location in the space. This will help in measuring.
- Lock the Shelf into place by pressing down on the middle of the Shelf and pushing toward the wall. **(Figure E)**

TO REMOVE A SHELF

- Hold the Hanging Standard steady with one hand. Place the other hand at the back of the Shelf. Pull up and forward on the shelf to release.
