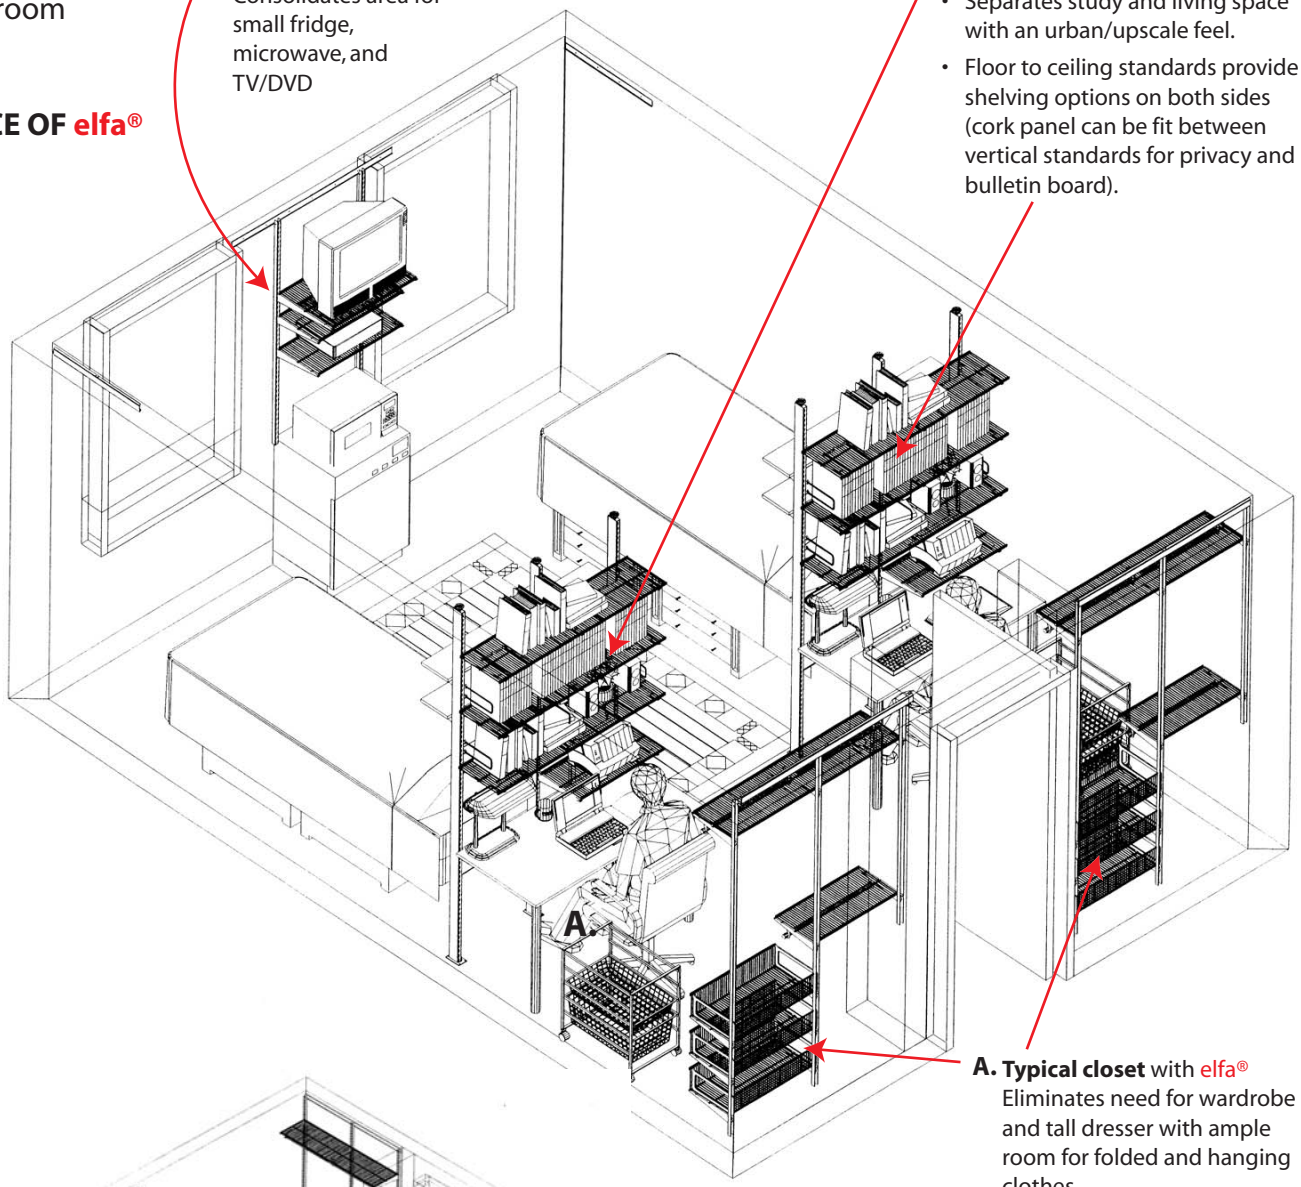
elfa® DORM ROOM CONCEPT

ROOM TYPE:
2 person room
12' x 17'

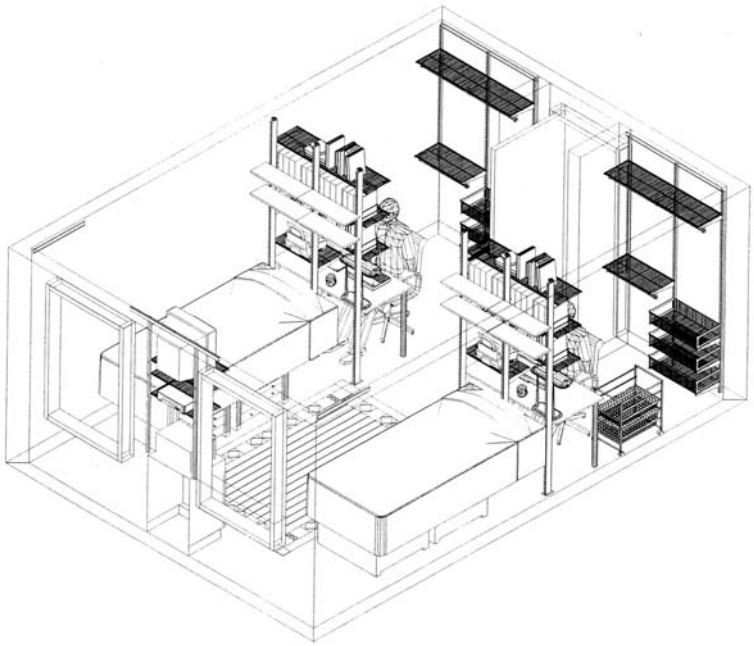
LIST PRICE OF elfa®
$2,000.00

C. TV/DVD shelves
Consolidates area for small fridge, microwave, and TV/DVD

B. elfa® Desk/Shelving concept
- Separates study and living space with an urban/upscale feel.
- Floor to ceiling standards provide shelving options on both sides (cork panel can be fit between vertical standards for privacy and bulletin board).



A. Typical closet with elfa®
Eliminates need for wardrobe and tall dresser with ample room for folded and hanging clothes



This concept illustrates the unique flexibility of elfa® with these features:

- Meets 10-15 year product lifetime
- Extends work area/storage capacity
- Separates study/living space
- Supports weight of 100 lbs. per lineal foot
- Shelves can be moved by student to accommodate their particular needs

As a planner, the applications are endless - for a creative, functional storage and shelving solution, go with elfa®!
