

elfa® HEALTHCARE

Storage and Shelving Solutions

A few great reasons to use elfa® products in your healthcare facility:

- Use of elfa® shelving enhances existing millwork and can replace upper millwork for a more accessible and cleaner look.
- The combination of elfa® drawer systems, shelf baskets, freestanding island and shelving makes the most of any storage room.
- elfa® accessories extend the functionality of the elfa® system (see hanging wheelchairs).
