

elfa[®] HEALTHCARE IDEAS

BEFORE: Small storage room with no room to add any more shelf carts. Above shelves are random mix of individual shelf/carts.

AFTER: Customer replaced standard 4 shelf carts with 5 shelves of elfa[®]. Shelf baskets eliminate need for as many micro bins, providing a more organized and effective solution.

BEFORE: Shelves as designed

AFTER : Shelves reconfigured for specific needs by customer

Shelving around existing desk area

Storage room with shelving, shelf baskets and drawer systems

Break room coffee bar

Bio-hazard room
