

# NEW K-4 SCHOOL INSTALLS **elfa**® AT A 40% SAVINGS OVER TRADITIONAL MILLWORK

elfa® shelving replaced millwork in areas of a new school where open, flexible shelving was desired over cabinet-style millwork.

Installed areas include:

- Gymnasium
- Janitor closets
- Textbook storage
- Library storage
- General storage

Textbook storage with solid shelves around entire room alleviating storage issues within classrooms

Gymnasium storage with bracket posts for holding jump ropes and hula hoops

elfa® Shelf Baskets are perfect for storing and seeing a variety of balls

Library books stored in bags make excellent use of elfa® ventilated shelving
